#### WORKS.

11. The improvement district shall provide one point of delivery for each parcel of land of which the whole or part was cultivated and beneficially irrigated during at least one irrigation season of the years 1927, 1928 and 1929, and which was shown as a separate parcel in the records of the Land Registry Office on October 17th, 1928. The acquisition and operation of all works for carrying the water from the point of delivery provided to the place of use and for utilizing the water and for

taking care of any surplus water shall be the duty and liability of the owner of the land upon which the water is authorized to be used.

The Trustees may provide an additional point of delivery for any parcel of land upon the owner making written application therefor and paying a bonus of such amount as to the Trustees appears just and reasonable, and they may thereafter charge against the land affected and the owner thereof a special annual toll for the maintenance and operation of the works made necessary to comply with the said application, in addition to all other taxes, tolls, rentals, and charges payable in respect of the land affected.

#### THE FIRST ASSESSMENT ROLL.

12. The lands within the territorial limits of the district shall for the first assessment be classified into three grades upon the following method of grading:—

Grade A: Comprising all land which was cultivated and beneficially irrigated during at least one irrigation season of the years 1927, 1928, and 1929.

Grade B: Comprising all arable and irrigable land not classified in Grade A.

Grade C: Comprising all other land in the district.

#### SPECIAL PROVISIONS.

13. There shall be no obligation upon the improvement district to supply or convey water for the irrigation of more than forty-three acres of Lot 114 or any land in the district which in the assessment roll in force when the water-supply is desired is so classified as to indicate that in the opinion of the Court of Revision the land is not irrigable, but the Trustees may convey or deliver water to a greater area of said Lot 114 or to land classified as aforesaid if they deem it in the interest of the improvement district to do so, and they may charge higher tolls in respect of water conveyed or delivered for the irrigation of such land than are for the same years charged in respect of water supplied, conveyed, or delivered for the irrigation of other lands in the district.

14. The improvement district shall have power to acquire from the liquidator of the Keremeos Land Company, Limited, all the right, title, and interest of that company in and to the Ashnola River and Keremeos Creek irrigation systems and all appurtenances thereto for a sum not to exceed seven thousand dollars.

15. All the property and other assets held by the water-users' committees which operated the Ashnola River and Keremeos Creek irrigation systems during the irrigation seasons of 1928, 1929, and 1930, and all sums owing to the said committees shall, upon the issuance of these Letters Patent, become the property of the improvement district.

16. The Trustees shall have authority, out of the funds of the improvement district, to pay any or all of the debts of the aforesaid water-users' committees and all expenses relative to the incorporation of the improvement district and the negotiations leading thereto, and to reimburse all persons who prior to the date of these Letters Patent advanced moneys for such expenses or for the protection of the rights of the owners, collectively, of the lands now included in the territorial limits.

17. The Trustees shall have power to refuse or shut off the supply of water from any land in respect of which the owner or occupier fails to pay to the improvement district any sum owing to it under the provisions of clause 15.

18. The improvement district shall be liable to the Crown in the right of the Province of British Columbia for the cost of the pipe-line across the Similkameen River and the installation thereof.

19. Lots 111 and 112, Similkameen Division of Yale District, shall be exempt from taxes levied by the Trustees of the improvement district to raise funds for the construction of works or for the repayment of moneys owing on capital account, and shall be exempt from the tolls fixed by the Trustees in any year to the extent of the quantity of water representing two acre-feet for each acre of the said lots that is under licence and beneficially irrigated during that year. In respect of all water used in

any year in irrigating any land within said Lots 111 and 112 which is not shown as irrigated in Final Water Licence 6985, and all water used on the land shown as irrigated in the said licence in excess of two acre-feet on any acre of land irrigated, the owners and occupiers of said Lots 111 and 112 shall pay to the district the same rates of tolls as are charged against other owners and occupiers of lands in the improvement district, but no tolls shall be payable in any year in respect of any lands within said Lots 111 and 112 not shown as irrigated in said Final Water Licence 6985 unless the owners or occupiers thereof apply for water for the irrigation of the said lands for that year.

20. Section 188 of the "Water Act" shall not apply to this improvement district, and the following shall apply:—

"The only persons qualified to be nominated and elected and to hold the office of Trustee of this improvement district shall be such as are British subjects of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly authorized agents of such owners, or the legal representatives of owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race, and are not indebted to the improvement district in respect of any taxes, tolls, or other charges which have been owing for twelve months or longer."

21. Sections 200 to 206 and 210 to 213, inclusive, and Schedule B of the "Water Act" shall not apply to this improvement district, and the following provisions shall apply:—

"An annual general meeting of the owners of land within the improvement district shall be called by the Trustees, and shall be held between the first day of January and the fifteenth day of March at a place within or in the vicinity of the improvement district, for the following purposes:—

- "(a.) To receive from the Trustees a report on the condition of the works and a statement of the financial condition of the improvement district:
- "(b.) To discuss with the Trustees any matter relating to the works or finances of the improvement district:
- "(c.) To fix the remuneration of the Trustees for the ensuing year:
- "(d.) To elect a Trustee or Trustees to fill all vacancies among the Trustees, and to elect a Trustee or Trustees to succeed those whose terms of office expire coincident with the holding of such annual general meeting.

"A special general meeting may be called by the Trustees at any time for the purpose of electing a Trustee or Trustees to fill any vacancy or vacancies among the Trustees, or for the purpose of discussing with the owners any matter or matters relating to the works or finances of the improvement district which in the opinion of the Trustees should be brought up at a general meeting.

"At least fourteen days' notice of every general meeting shall be given by notices mailed to each resident owner of land in the district at his or her last-known address and posted up in a conspicuous public place in the territorial limits. The said notices may be in Form 4 of Schedule A of the 'Water Act.'

"The qualified voters present at a general meeting, except the one called pursuant to clause 10 hereof shall choose a chairman and a secretary of the meeting. The persons so chosen shall be chairman and secretary respectively of the next succeeding general meeting until a new chairman and secretary have been chosen.

"The Secretary shall enter in a book provided by the Trustees for that purpose minutes of all matters brought before the meeting, including all resolutions proposed and the action taken thereon and all votes taken upon any matter. The persons entitled to vote at any general meeting, except the one called pursuant to clause 10 hereof, shall be such as are British subjects, and are of the full age of twenty-one years, and are owners (as defined in section 165 of the 'Water Act') of land within the territorial limits, or are the duly authorized agents of such owners, or the legal representatives

of owners who have died, become insolvent or insane, and are not of Chinese, Japanese, or other Asiatic or Indian race, and are not indebted to the improvement district in respect of any taxes, tolls, or other charges except such as have been levied, fixed, or charged by the Trustees within one year of the date of the meeting. In the event of the right of any person to vote at any general meeting being challenged, the chairman shall have authority to determine whether or not such person is entitled to vote, and the chairman may require such person to make and file with him a statutory declaration showing that the declarant is qualified as aforesaid to vote at such general meeting. Forthwith after the holding of a general meeting the Trustees shall file with the Water Board a true copy of the minutes of such meeting."

22. All words and phrases given special meanings in section 2 or section 165 of the said Act shall, where used herein, be ascribed the meanings given them in the said sections unless the context otherwise requires.

And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1.) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

(2.) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3.) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.
